(FOR ADDRESS ONLY)

I am in Pabstland town
work or sd. There is no end
for the wicked, I came here
to attend a brother's wedding
then to Teachers Institute. Had
a letter from Lola, why don't
you drop her a card. Write to me too.
Yours

Folkestone Lighthouse is a granite structure which stands on the extremity of the Pier. Its light is elevated to a height of 41 feet above high water level, and shows a group of two flashes every ten seconds. Folkestone is one of the principal ports for cross-Channel traffic, and consequently this light is of great assistance to steamboats in that service.
